### **Additional Math Panel Discussion**

AP computer programming and AP stats, robotics (applying math in theses classes)

- --have courses for seniors so they don't "top out" or "opt out"
  - school counselors push math each year even at senior year

- Colleges are not doing well for their students and a different discussion

9:15- 9:45am Yahara River Writers Submission Update - Janell Dorn,

Ruth Frawley, & Krissy Killerlain

<sup>\*\*</sup>John Hopkins- online math class - (expensive)

<sup>\*\*</sup>Computer Programing- (EAGLE SCHOOL)- is there an advanced computer programming (only counts if taught by math teacher- Madison and Eau ClaireUniversities will not count it as a math class) - taking Calc again can be helpful for almost all

<sup>\*\*\*</sup>Interesting study meta-analysis long term acceleration are very successful

- -District Assignment sheet was distributed and is available on-line
- -Submit short stories, editorials and poetry on-line. Use google/team drive, which will be shared with to submit entries.
- -Directions were provided as to how to submit entries and also available online. Category folders are where you upload entries.
- -Hard copies for cartoons, dividers, and cover pages due on January 24th at GDCALN meeting. No need to make multiple copies.
- -See checklist on district cover sheet for other items needed.
- -Make sure you make a copy of entries so if students change prior to submission, they are not retyping on original document.
- -If you have technology questions, email Krissy Killerlain at killerlk@belleville.k12.wi.us
- -Questions about Yahara contact Ruth Frawley at <a href="mailto:rfrawley@mcpasd.k12.wi.us">rfrawley@mcpasd.k12.wi.us</a>, Janell Dorn at <a href="mailto:janelldorn@waunakee.k12.wi.us">janelldorn@waunakee.k12.wi.us</a>, or Krissy Killerlain at kilerlk@belleville.k12.wi.us

# 9:45-9:55am Professional Development/Review/Planning: Lucia Rowley

Lucia Rowley- Next PD Sun Prairie presents personalized learning at Waunakee - Wednesday, January 24th village center (ADDRESS)

<u>Possible Future Ideas for PD</u>-share ideas/suggestions with Lucia Rowley

Sharon Daly- Brynn Orum - writing advanced learners

NAGC- share out?

Ideas: email if you have ideas or guest speaker

- -counselor meeting?
- -administrator breakfasts
- -kids come in and talk about pathway
- -how to build capacity
- -Tim and Leslie (Waunakee)- who determines what interventionists too including advanced learners in RTI invite instructional coaches focus on ELA, ask curriculum and instruction how can we help

- Math 24 Kristy Champion
- -Math 24- will be going to Union South with WCATY

## DATE: Tuesday, February 27th, 2018 (North and South together)

- -varsity hall divides into 3 sections, couple other rooms (2- 4th grade tournaments in space- time and give directions all at same time). MAKE SURE YOU HAVE PROCTORS ONE PER TEAM! START ASKING High school students now.
- -Proctors- High school or adults fairly quick with math, 4th person at a 3 person table a proctor puts out the card, right answer, placing next card, at end of round write down points. We can use responsible 7th and 8th grade for 4th and 5th grade tournaments,

parents can work, but can't proctor their own child. 1 proctor per team. Also need computer data base entry helpers (can be HS) and room facilitators.

Decks on website - by Christmas everything should be updated for math 24 on website <a href="http://www.gdcaln.org/math-24/">http://www.gdcaln.org/math-24/</a>

North and south will still be in a region, but in a big room together.

Anyone interested in organizing Math 24 or shadowing Christy Champion let Christy know. Determining location will be one of the more challenging things ahead.
