

Yahara River Writers District Assignments 2017-18

Each participating district is **REQUIRED** to follow through on the assignment. If you wish to trade your assignment, please work that out between districts and notify the chairs involved. If you cannot fulfill your assignment, you must locate your **OWN** replacement. **If you do not see your district here, and have signed up to participate in Yahara, please contact Ruth Frawley at rfrawley@mcpasd.k12.wi.us for a district number and an assignment.**
